

LISTING OF THOSE WHO HAVE SERVED AS GRAND INSTRUCTOR/LECTURER

Until 1942 there was an appointed Board of Grand Instructors. Except for 1942-1943, Grand Instructor was an appointed position. The term Grand Lecturer began being used in 1942 -1943 year. From 1954 to 1997 the position of Grand Lecturer became the first step in progressive line to the station of Worthy Grand Matron. As membership declined and Sisters interest in serving five years in the Grand Chapter line waned, the position of Grand Lecturer once again became an appointed position in 1997
